

SATVINDER SINGH

ADVOCATES & SOLICITORS

Messrs Satvinder Singh is a Malaysian legal practice. The firm brings together more than three decades of experience and expertise spanning private legal practice and corporate general counsel.

We are the strategic legal counsel for business leaders. Our strategic advisory approach prioritises enhancing business continuity, whilst responding to current commercial realities, maintaining effective risk allocation, and dispute avoidance or resolution. We understand how shareholders, boards, management teams, project leaders, contractors and operational businesses make decisions under commercial pressure.

By combining legal expertise, strategic commercial insight and efficient dispute resolution, we deliver strategic solutions to critical challenges and help our clients navigate in an increasingly complex and evolving business environment.

BUSINESS ENGINEERING & CONSTRUCTION

Satvinder Singh holds a Master's in Business Engineering from the University of Stuttgart, Germany, with a focus on International Construction Law and Practice. His multidisciplinary background enables him to advise on domestic and international construction projects across the entire project lifecycle from conceptualisation and contractual structuring to execution, completion and delivery.

Major Malaysian projects on which he has advised include Menara 3 Petronas, Impiana KLCC Hotel, the centralisation of KLCC Gas District Cooling facilities, Permata Sapura Tower and a Food Manufacturing Facility at Nilai.

CORPORATE & COMMERCIAL

Satvinder Singh fully understand the commercial realities in which clients operate and the pressures that shape business decisions. His reputation is built on years of delivering practical solutions. He guides Clients avoid, manage and resolve disputes, protect their commercial interests and mitigate risk while optimising business opportunities and growth. As General Counsel, he was also appointed as Director in various boards of corporations.

COMPLIANCE & GOVERNANCE

Having served as General Counsel and Corporate Director across 15 companies, Satvinder Singh brings practical boardroom experience to compliance and corporate governance. He has advised on governance frameworks, regulatory compliance, project and operational risks, procurement, industrial relations and overall strategic decision-making.

His approach extends beyond mere legal and technical compliance. He helps organisations strengthen governance by embedding clear accountable processes, effective controls and sound decision-making culture into their operations.

He provide directions and managed Clients to achieve compliance to Anti Money Laundering, Personal Data Protection, Anti Competition, Sanctions and Export Control, Anti Bribery and Anti-Corruption, obtain certification for ISO 37001 : 2025 – Anti Bribery Management Systems.

DISPUTE RESOLUTION

Satvinder Singh brings more than 30 years of experience in resolving complex commercial, corporate, construction and employment disputes. His practice encompasses litigation, arbitration, adjudication, mediation, and expert determination.

A Fellow of the Chartered Institute of Arbitrators, empanelled with AIAC as an Arbitrator, Mediator, and Adjudicator, he combines legal analysis with substantial factual evaluation, and achievement of strategic results.

He assists Clients to develop strategies aimed at protecting the client's legal and commercial position, controlling costs and achieving an effective resolution with minimal disruption to business continuity.

EMPLOYMENT & INDUSTRIAL RELATIONS

Satvinder Singh has extensive experience advising employers, boards and management teams on employment and industrial relations matters. His approach is preventive and solution driven. His practice covers employment-law compliance, workplace policies, employee misconduct, domestic inquiries, grievances, trade union engagement, negotiations to maintain industrial harmony.

His approach is preventive and solution-driven; helping employers establish sound processes, manage sensitive workplace issues and resolve disputes fairly, efficiently and in compliance with the law.

PROPERTY DEVELOPMENT & PROJECTS

Satvinder Singh has extensive experience advising on major property developments and complex projects, collectively valued north of RM6 Billion Gross Development Value. He understands the authority requirements, technical, legal, commercial and operational demands involved in delivering projects of significant value and complexity.

His experience spans the entire project life cycle, including corporate project structuring, bankability and financial viable projects, procurement strategies, tender documentation, contract negotiation, project management, project governance and controls, contract administration, regulatory compliance, risk allocation, claims and dispute management.

PRIVATE WEALTH & SUCCESSION

Satvinder Singh advises individuals, families and business owners on protecting, managing and transferring wealth across generations. His practice covers wills, trusts, estate and succession planning, family arrangements and the continuity of family-owned businesses.

He works with clients to develop practical structures that reflect their assets, responsibilities and long-term intentions—particularly where minor children, vulnerable dependants, business interests or complex family circumstances are involved.

TRAINING & DEVELOPMENT

Satvinder Singh designs and delivers practical legal and professional development programmes for boards, management teams, legal counsel, project personnel, procurement teams and business operators. His training areas include construction and contract management, dispute avoidance and resolution, corporate governance, regulatory compliance, employment and industrial relations.

Messrs Satvinder Singh is a full-service law practice with a strong reputation for integrity, professionalism, and trust. Our commitment is to deliver exceptional legal service.
